

Discover the Benefits of Music in Your Child's Development!

The Rob Coyne School of Music Education's Music & Movement Class

Our program introduces children from 18 months to 5 years old to the inspiring world of music.

A variety of music is presented in a fun, interactive way with singing, playing, dancing, and other expressive ways for children to develop their music, social, memory and attention skills.

Classes Meet Every Saturday, 10 AM - 10:45 AM

@ The Rob Coyne School of Music Education
